Vilnius, Lithuania

Dear Ukrainian sailors,

We are deeply shocked by the ongoing Russia's aggression and war crimes against your country. We would like you to know that the members of Lithuanian Yachting Union personally are doing what's in our capacity to oppose Russia's war, to show the world what is really happening in your country and to give as much humanitarian and financial support for your country as possible.

However, if there is anything we could do for you as for fellow sailors' community, please let us know. We could help you with finding a place to stay in Lithuania, raising some resources for the first months of your stay in Lithuania or completing all the necessary documentation. If there is some other way that we might help you and just haven't thought about it, please let us know and we'll try our best.

In any case, please know that you are not alone. Not only us, but the whole world stands beside you. We hope and pray for this war to end and justice to come.

Slava Ukraini!

Raimundas Daubaras

President
